INVITED LECTURES: MEDICINE

1. “Cardiovascular Competence in Patients with Hip Fractures,” presented to the Trauma Day Symposium, sponsored by the American College of Surgeons in New York (March 1979). Co-authored with J.J. LaMura.
2. “New Horizons in Surgical Management,” presented to the University of Paris Faculty of Medicine, Hospital Lariboisiere, Paris, France (May 1980).
3. “Chemonucleolysis,” presented to the Rehabilitation Center for Children and Adults, Palm Beach, Florida (November 1985).
4. “Applications of Infrared Electronic Thermography in Orthopaedic Surgery,” presented to the Flying Physicians Association - Winter Symposium, Vail, Colorado (February 1989).
5. “The Diagnosis and Treatment of Reflex Sympathetic Dystrophy,” presented at the 10th Annual Workers' Compensation Winter Meeting and Seminar, Park City, Utah (March 1994).
6. “The Diagnosis and Treatment of Reflex Sympathetic Dystrophy,” presented at the Annual Fall Symposium of the American Association of Medical Transcriptionists, Jensen Beach, Florida (October 1994).
7. “Reflex Sympathetic Dystrophy in the Workplace: Recent Advances in Diagnosis and Treatment,” presented at the 15th Annual Workers' Compensation Winter Meeting and Seminar, Snowmass, Colorado (March 1999).

INVITED PANELIST: MEDICINE

Round Table Conference: “Arthroscopy Versus Non-Invasive Imaging Methods,” moderated by Professor Kalabay (Semmelweis University, Budapest), held in conjunction with the 10th Congress of the Hungarian Orthopaedic Association, Budapest, Hungary (August 1992).

BOOKS PUBLISHED

1. “Friedel-Crafts Reactions of Alkenoic Acids and Related Studies,” by Graham F. Whitfield, Ph.D. Thesis (354 pages), London University (1969).
2. “Critical Care Readings,” by Graham F. Whitfield, Joseph Cohn, and Louis R.M. Del Guercio (84 pages), published by Life Sciences, Inc. (1981).
